Rope course rules of the Seil- & Adventurepark Zürich – Kloten GmbH

1. The **rope course rules** have to be read and signed by every visitor before climbing.
2. Climbing in the rope course carries risks; therefore everyone has their **own responsibility**.
3. The **insurance** is everyone's own responsibility.
4. The rope course can be used from the 4th birthday on. People suffering from **physical or mental illnesses** presenting a danger to their own or other peoples' health and safety are not permitted to the rope course. People under the influence of **alcohol, drugs or strong medication** are refused access to the rope course. Furthermore persons **scared of heights aren't allowed to climb**.
5. **Looking after your own children** has to be done as the instructor explains also you can check the written form on the webpage or the information board.
6. **16 and 17 year olds** have to inform their legal guardian of their plans to visit the rope course.
7. Taking along **objects** on the course like jewellery, mobile phones, cameras etc. **is forbidden**. Using these objects could bring risks for yourself or others. Additionally smoking, drinking and eating isn't allowed on the course.
8. **Long hair** has to be tied up. It is not allowed to wear skirts or open shoes like Flip-flops. Sports/casual wear and shoes with **a good profile** (good sneakers or walking boots) are recommended.
9. Every visitor aged 6 (kids) or older has to participate in a **theoretical and practical safety instruction** before climbing the easiest route of their age (kids: yellow, 8+: blue). Uncertain points have to be answered by a rope course instructor.
10. The visitors are obligated to watch out for one another. On each **platform a maximum of 3 persons** are allowed. On every element max. 1 person. On the starting platform 10 persons are allowed.
11. Rental equipment (harness, gloves, cable pulley etc.) must be used according to the instructions of use and given directives. The material has to be returned to the ticket office unasked after the rope course visit. **Any damage detected or drops must be reported** to the rope course staff. If you take off the equipment in between the rope course period, the harness has to be checked again by an instructor before further use. Personal equipment is not allowed.
12. It's forbidden to jump into the cable pulley or swinging around.
13. **To protect the trees and their roots** we kindly ask you to only use the built paths.
14. **Visitors not acting by the safety rules must hand in their equipment straight away**. In that case we will not offer any refund.
15. If the rope course staff decides to close the course due to higher forces such as storm or heavy rain, instructions must be followed and we will not offer any refund.
16. Place of jurisdiction is Kloten.
17. Seil- & Adventurepark Zürich – Kloten GmbH refuses liability for any damage in case of disregard, evasion or violation of the rules.
18. **By signing the paper of agreement the visitor approves the acceptance of the rules above**.
